This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of South Carolina Electric & Gas Company (“SCE&G” or “the Company”) to hold in abeyance the hearing concerning its Integrated Resource Plan (“IRP”) presently scheduled for September 23, 2008.

The request is granted. However, since the Company’s IRP is critical in determining the future generation needs of SCE&G, this Commission expects detailed testimony regarding the IRP in the hearing in Docket No. 2008-196-E.
